

# You can save up to £18.99 *every* month with AIT broadband & phone services.

Early bird offer - 1 month free trial.

Savings of up to £18.99 every month.

Up to 60mb high speed broadband.

Cheaper UK and international calls.

We are now offering high speed, wireless fibre broadband to *you*.

Our wireless technology allows us to provide phone and broadband services at fibre speeds to your home. This means there is no need for you to pay BT line rental, instantly saving you money every month.
